# HISTORY

- Our school was established in **1993**. This year we celebrate **29 successful years** of being educators to the young people and one of the leading private schools.
- The High School is named after one of the most **prominent lawyers** in Bulgarian history - Ivan Apostolov. He is also author of numerous law student books and studies.
- In **2014** we took the next step by opening **Azbuki School Complex with our own Sports Center** providing quality environment for our students to develop and strive in.
