INVITATION TO

FACILITATE-AI MINI CONFERENCE (Romania)

Tuesday, 21 November 2023, (17:00 – 19:00)

(FREE Registration)

You are invited to express your interest to participate in the **FACILITATE-AI Mini Conference** organized by *Spiru Haret University*, partner of the EU Funded Project “**FACILITATE-AI: Guidelines for facilitating the learning of Artificial Intelligence (AI) by School Students of Grades 7-12**”, where you will have the opportunity to be informed about the objectives and results of the project.

The FACILITATE AI project is an Erasmus+ project, co-funded by the European Commission, which established a methodology that empowers educators to understand and effectively incorporate AI in everyday learning, aligning with digital competency frameworks and fostering problem-solving skills in both teachers and students. More information is available on the project's www.facilitate-ai.eu.

Our Conference is dedicated to familiarize key stakeholders with the key aims and objectives of the project and to present the results of the FACILITATE-AI project.

We count on your active engagement to use the results of the project. As *teachers, teacher educators, education policy makers, parents, young learners, school leaders, school staff, academics, public authorities' officers, and other associates from the field of school education and technology* you are most welcomed to participate in this event and we will present the results: AI Teaching Guide for teachers facilitating the learning of students in grades 7-12, Learning & Creativity Plans for AI, Training Course for Teacher Facilitators of learning in AI-STEAME+ education, Dynamic Online Learning Environment with OER on AI in interdisciplinary STEAME+ school subjects, the AI-Education Observatory.

Policy Recommendations Participants will be prompted to use the above for their personal and professional development and act as potential promoters and multipliers.
